In Godoy Maceira we are specialised in the elaboration of all kind of street furniture. We have a wide range of furniture for your city landscape to transform your environment in a very special place to share good times.

We have a wide range of products: benches, flower pots, fountains, street lamps, tree grates and offer also slabs, kerbs and paving setts with a wide variety of paving styles.

Perhaps you already have a design in mind, or have a cutting from a magazine you would like us to copy or personalise in some way. And following your free consultation, we'll produce CAD drawings of your made-to-measure product for your approval and will help you with the technical problems.

We only use first quality materials and offer a full choice of surface finishes.

DESIGN, TRANSFORMATION AND PLACEMENT
